

ART BOOKS

FRACTALS: FRACTAL ART Jack Cleveland

ISBN-13: 978-1-941237-60-1 | \$39.99 | 144 page full-color
HARDCOVER

A coffee-table art book filled with lush art plates that speak to the senses. The fractal images within reflect the beauty and mystery of the natural world, and demonstrate the power of computer-aided design in creating original works of art.

“A new category in digital art emerges. You can say that fractal art is unique, but it begs the bigger question of what makes it unique compared to other art forms. As a fractal artist, Cleveland demonstrates how it can be unique, for it is the only medium that explores fractal structures through digital and classical aesthetics. Browse through this collection and experience its mesmerizing effect.”

AMITY LITERARY PRIZE 2023: AWARD WINNER

The Amity Literary Prize is an award honoring authors of unpublished non-fiction, fiction, YA, collections of short fiction, and poetry collections. This year's winner is Chad V Broughman for "The Fall of Bellwether"

Chad V Broughman was the recipient of the Rusty Scythe Prize Book Award and the Adobe Cottage Writers Retreat honor in New Mexico. As well, Chad was awarded two chapbook contracts for his short story collections—"the forsaken" and "slighted"—both published by Etchings Press. His fiction can be found in journals nationwide,

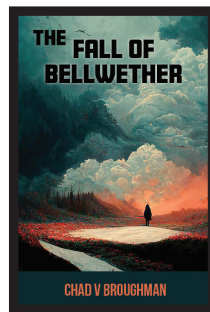

such as Carrier Pigeon, East Coast Literary Review, River Poets Journal, Burningword, Pulp Fiction, Sky Island Journal, and From Whispers to Roars, and he is anthologized in Write Michigan Short Story Anthology, On Loss, and Scribes Valley Anthology. He is a Best of the Net and Pushcart Prize nominee, holds an MFA from Spalding University and served as co-editor for the fiction/poetry blog "Cafe Aphra" based out of the United Kingdom. Chad teaches English and Creative Writing at the secondary and post-secondary levels but is most proud of his roles as a husband and devoted father to two rambunctious young sons.
